

MEDICA 2023 TRADE FAIR - AN OVERVIEW

With over seven thousand individual products being promoted at MEDICA 2023, it can be quite a daunting task to review them all. For this reason, it might be a good idea to have a **brief overview of some of the various products being exhibited.**

Broadly speaking the exhibits can be divided into seven categories as follows:

- (1) Imaging and diagnostics / medical equipment and devices;
- (2) Laboratory equipment;
- (3) Diagnostic tests;
- (4) Physiotherapy / orthopaedic technology;
- (5) Disposables and consumables;
- (6) IT systems and IT solutions;
- (7) Medical services and publications.
